

How to express the future

going to future		I'm going to be a pilot when I'm old enough.
		Look at the dark sky. It's going to rain soon.
will future		My sister will be 12 tomorrow.
		I hope she'll like my present.
simple present: timetable future		The train leaves at 10.45.
present progressive		I'm visiting my grandparents on Sunday / at the weekend / next week ...
will future		Will you help me with my bags, please? – Ok, I'll carry one of your bags for you.
